Task 1
Prompt:
Act as a tech support assistant. Provide a clear, step-by-step guide on how to create a new playlist on Spotify. Format your entire response using bullet points for each step.
Task 2
Prompt:
Compare the features of the food delivery services Zomato and Swiggy. Present the analysis in a clean table format featuring at least these three columns: Feature, Zomato, and Swiggy.
Task 3
Prompt:
List the last five IPL tournament winners along with their respective winning years. Provide the entire final output strictly in a valid JSON format using keys for the year and team name.
Task 4
Prompt:
Summarize the main benefits of using UPI applications like PhonePe and Paytm.
Strict Constraints:
1. Provide exactly three short bullet points.
2. The entire answer must not exceed 30 words total.
Task 5
Prompt:
Explain how to book a movie ticket on BookMyShow. Structure your response using clear markdown headings for each major step of the process (for example: 'Step 1: Search Movie', 'Step 2: Select Seats', etc.).
